How to use The Import Transshipment Tracking System

1. Go to PACTL website www.pactl.com

Find a button "Tracking" on PACTL homepage, move your cursor on it, until you see "Airlines" and "Road Feeder Service RFS".

2. Click "Road Feeder Service RFS", you will see below page.

Key in the AWB number with respective prefix and shipment, and click "Search" button. If the shipment you are tracking is existing, you will see the following page.
